<p>POLICIES</p>	
<p>Attendance policy</p>	<p>The student must attend 100% practical. In case of skipping classes, the student must work missed class in accordance with the schedule of exercises, approved by the department in the presence of the relevant order of the dean's office.</p>

<p>Assessment policy</p>	<p>When mastering the student's materials for each practical lesson is assigned a maximum of 5 points (grade is set in the traditional 4-point grading system). At the end of the discipline is calculated arithmetic mean of student performance. The maximum number of points that a student can get in practical classes during the academic year - 110. The number of points of the student is calculated by the formula 110 multiplied by the arithmetic mean and divided by 5. For writing a medical history are assigned the following points: "5" - 5 points, "4" - 4 points, "3" - 3 points, "2" - 0 points. Protection of medical history: "5" - 5 points, "4" - 4 points, "3" - 3 points, "2" - 0 points. In general, for the history of the disease the student can get a maximum of 10 points, the minimum required score of 6. The student is allowed to take a practice-oriented differentiated test if the requirements of the curriculum and if he scored at least 72 points for current activities. Practice-oriented differentiated test is conducted according to the schedule at the end of the discipline. At the beginning of the lesson the student passes a test control of knowledge (30 theoretical questions (15 points), to which he chooses the correct answers from the proposed ones). Test control is considered passed if the student answered 60% of the questions correctly. Tickets contain 3 theoretical questions on various topics and cover all sections of the discipline (15 points each), 1 practical task (20 points). Differentiated credit is credited to the student if he scored at least 48 points out of 80. Incentive points are added to the grade for the discipline for the implementation of an individual research project (defense of student academic work 12 points, presentation at the conference 5 points, poster presentation at the conference 4 points, abstracts) 3 points). The total score in the discipline may not exceed 200 points.</p>
<p>Deadlines and course retake policy</p>	<p>In case of unsatisfactory result, the student has the right to reassign the differentiated test twice to the teacher who taught the discipline. Reassignment of differentiated credit is carried out according to a separate schedule, which is approved by the dean's office. Students who fail to take the test without good reason are considered to have received an unsatisfactory grade. The student's refusal to perform the examination task is certified as an unsatisfactory answer. The student has the right to receive an explanation of the grade obtained.</p>
<p>Assessment appeals policy</p>	<p>The results of the module and semester assessment are subject to appeal. A student must lodge an appeal to the director/dean on the day of certification or after announcing the results, but no later than the next working day. The appeal commission is established by the director/dean's order. The appeal commission's decision may change the grade in case of violations revealed during the attestation.</p>

Academic integrity policy	<p>Participants must complete all tasks according to the course requirements independently. Participants are not allowed to cheat during the written module or summative test. The assignments should not contain plagiarism, facts of fabrication, falsification, cheating. Manifestations of other types of academic dishonesty determined by the Academic Integrity policy are also unacceptable. If a teacher reveals violations of academic integrity by students during the course, the former have the right to take one of the following actions: - to reduce points by up to 40% for practical assignments; - to give recommendations for improving and resubmitting mandatory homework assignments with the reduction of points by up to 25%; - to not accept mandatory homework assignments without the right to resubmit; - set a date for retaking the written module or the summative test with a reduction of points by up to 15%; - to not allow to retake the written module or the summative test.</p>
